This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, log onto hr.phillips66.com or call 1-800-965-4421. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. You can view the Glossary at www.dol.gov/ebsa/healthreform or www.cciio.cms.gov or call 1-800-965-4421 to request a copy.

| Important Questions | Answers | Why This Matters: |
|---|--|--|
| What is the overall deductible? | Network: \$600 you only/ \$1,200 family. Non-network: \$1,200 you only/ \$2,400 family. Network and non-network combined. Does not apply to preventive care. | If you have other family members on the plan, the overall family deductible must be met before the plan begins to pay. |
| Are there services covered before you meet your deductible? | Yes. Preventive Care. | This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ . |
| Are there other deductibles for specific services? | No. | You don't have to meet deductibles for specific services. |
| What is the out-of-pocket limit for this plan? | Network: \$4,500 individual/ \$9,000 family. Non-network: \$13,500 individual/ \$27,000 family. | The out-of-pocket limit is the most you can pay in a year for covered services. Once an individual out-of-pocket limit has been met, covered services for that individual are paid at 100%. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met. |
| What is not included in the out-of-pocket limit? | Expenses not covered by the plan, such as expenses in excess of non-network reimbursement rate limits (typically referred to as usual customary and reasonable), precertification penalties, premiums, balance billed charges, prescription drug retail refill allowance, quantity level limitations, brand/ generic difference. | Even though you pay these expenses, they don't count toward the out-of-pocket limit . |
| Will you pay less if you use a network provider? | Yes. See www.aetnavigators.com or call 1-855-267-4184 for a list of medical and behavioral health network providers. See www.caremark.com | This plan uses a provider network. You will generally pay less if you use a provider in the plan's network . You will generally pay the most if you use an out-of-network provider , and you might receive a bill |

| | | |
|--|--|--|
| | or call 1-888-208-9634 for a list of prescription drug network providers . | from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services. |
| Do you need a referral to see a specialist? | No. You don't need a referral to see a specialist . | You can see the specialist you choose without a referral. |

 All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
