## Save Up to 60% on Brand-name Hearing Aids

Like vision loss, hearing loss can have a huge impact on your quality of life. However, the cost of a pair of quality hearing aids usually costs more than \$5,000, and few people have hearing aid insurance coverage.

TruHearing® makes hearing aids affordable by providing exclusive savings to all VSP® Vision Care members. You can save up to 60% on a pair of hearing aids with TruHearing. What's more, your dependents and even extended family members are eligible, too.

In addition to great pricing, TruHearing provides you with:

- Three provider visits for fitting and adjustments
- 45-day trial
- Three-year manufacturer warranty for repairs and one-time loss and damage replacement
- 48 free batteries per hearing aid

Plus, with TruHearing you'll get:

- Access to a national network of more than 3,800 hearing healthcare providers
- Straightforward, nationally-fixed pricing on a wide selection of the latest brand-name hearing aids
- Deep discounts on batteries shipped directly to your door

Best of all, if you already have a hearing aid benefit from your health plan or employer, you can combine it with TruHearing prices to reduce your out-of-pocket expense even more!
