Hospitals with Expertise in Specialty Care

High Quality, Lower Cost

At a BDC or a BDC+ facility, you may get a better outcome and may have lower out-of-pocket costs,* depending on your plan. Although your plan may require you to get treatment at a BDC or BDC+ facility, you may still be covered at a non-BDC facility, but your out-of-pocket costs will usually be higher.

The Blue Distinction Benefit Differential product offers the highest level of benefits when you visit a Blue Distinction Center for the following specialty care programs:
